DOCTOR WHO: Now we're beginning to get somewhere!

BEN: Look, I don't want to appear dip - but how's this going to do the Daleks in?

DOCTOR WHO: They believe Lesterson's the driving force. I don't. The Daleks are using him!

POLLY: But how?

DOCTOR WHO: (IGNORING HER) Problem? Smash the Daleks and the people here will lock us up or kill us. Leave the Daleks alone and everyone will be killed.
